Chief James Clough  
Gilmanton Corners Fire Dept  
P.O. Box 13  
Gilmanton, NH 03237

Dear Chief Clough:

As of this date, I am submitting my resignation as a member of the Gilmanton Corners Fire Department.

I find I simply do not have the time required to maintain the duties necessary of a member. I also, in the future, will not have sufficient time to take part in the training that is necessary to retain the skills of a firefighter, so as not to become a liability to safety on the fire ground.

I wish you well in your efforts to strengthen the Department. I feel the Town would only benefit from such progress.

Sincerely,

*Raymond M Daigle*
