Instructions: If this is a marriage of your ancestors, the Family Chart number will be the same as the Ancestral Lineage Chart number of the male ancestor. If, however, this is a chart of a marriage of your descendants, use the letter "D" plus an unused number. Children are listed down the left side of the chart (surname last), and when a child marries, details on the spouse will be added directly below the details on the child, and the spouse's name (surname last) will be added on the right side of the chart. (BH = Biographical & Historical Chart number, FC = Family Chart number, and AL = Ancestral Lineage Chart number). Under the word "see", list the AL, BH and FC where additional information may be found.
