I'm sorry you have not reached a Pine Grove rep. It is a private cemetery and those are the only numbers I have. I do have some Pine Grove info and this is what I've found:

Gray, Dr. R.M. d.1900 age 80 yrs
Gray, Elizabeth (his wife) d. 1857 age 38 yrs

Gilmanton Town Report 1925 - Gray, Jane d. June 1, 1924 age 88, buried in Pine Grove (stone not found)

The actual Pine Grove records may reference whether there was an additional burial in the plot.

I do not have an Isaac Gray in my vitals. Nor an Eliza Weeks Gray.

Attaching the entire list of Grays I have in my vitals.

I was trying to verify burial of two distant relatives

Isaac J Gray D: 1912 (Gilmanton)
Jane Gray D: 1925 (Gilmanton)

The vital records of Gilmanton for 1925 lists Jane Gray- no family info-female-widowed. Isaac J Gray(died in Gilmanton) married an Eliza J Weeks(born ~1839 in New Hampshire), wondered if this Jane Gray might be his wife. Thought if they were buried near each other(lot wise) it would lend credence to my suspicion. Tried calling the #'s on your list of Pine Grove people but neither number rang, just dead noise.

Thanks for any help you can provide

Yes. There is a Jenness on the list.

Candace,

Thanks for looking. My apologies in Isaac Gray's name. He sometimes went by Jenness, and sometimes Isaac, but believe his birth name was Isaac Jenness Gray or possibly Jenness Isaac Gray. (See death rec attached-using Jenness Gray)
