Tammy,

This is an informal list made many years ago by a person who was listing all graves in Gilmanton so I'm not sure there's even a cover sheet. I'll check when I get home tonight. Pine Grove is a private cemetery and not managed by the Town so I don't have access to its actual records. I can give you the contact info for their association and maybe they can assist.

Good luck,

Candacce

Hi Candace,

Thank you so much for looking for me. I wonder if I might be able to get a copy of that cemetery listing? (with cover page) The lineage society that I'm working with will not accept Find A Grave as an acceptable source and the photo of the stone is hard to read due to the lichen.

I would be happy to make a donation to the historical society....

I have a friend who will also be looking for information on a family in Gilmanton and when she sends her information we will probably be asking for your guidance once again.

Thanks,

Ms. Mansfield,

I found only a list of Shannon burials in the Pine Grove Cemetery which includes Ephram (sp?) with the correct dates. There is no death record in the Town Report for that year. Perhaps he did not die in Gilmanton? Sorry for the minimal information.

Hi: I received the email below from someone looking for help in tracing Ephraim Shannon, son of George and Sally Shannon of Gilmanton. I wondered if any of you might have anything that could help with her question. If you do, could you reply directly to the sender and cc me? Thanks for any assistance.

Hope all is well in Gilmanton. I feel compelled to tell you that it was 81 in Ft Myers this afternoon. Sorry.

Best,

John

Good Morning John,

I am writing to see if you could help me locate information on the George(1786-1868) and Sally (Tebbetts) family of Gilmanton. Specifically I am looking to prove the link between George and his son Ephraim (1816-1894). There is no birth or death card for him at vital records, although his siblings have death cards. I am hoping that you might have an obituary index or a family file that might be helpful. Or do you have a microfilm of the original town record books.

The lineage society that I am working with will not accept Hodgdon's Shannon Genealogy and I cannot find any probate record for George on line.

I'd be happy to pay for research time and copies.

Thank you,

Tammy Mansfield
