Painters freshen up Gilmanton town office building

John Thompson of Laconia's J.L.T. Painting applies a coat of primer to the top of the Gilmanton office building.

The Gilmanton town office building on Route 107 gets coat of primer on the historic structure.

The Gilmanton town office building gets a fresh coat of paint by J.L.T. Painting in Laconia. Matthew Perkins and owner John Thompson scrape in the mornings and put on a primer coat every afternoon. The pair has been working on the project for a month and expect to be finished by Oct. 1. They have been working weekends and holidays to avoid getting in the way of staff and town residents doing business at the building.
