### Final 250th event

Please join us on Thursday at 1 p.m. on the Meredith Public Library lawn, 91 Main St., when we bury the 2018 time capsule as the final event of the Meredith 250th Celebration ... to be opened in 2068! Last year, nearly 300 people joined us as we opened the 50-year time capsule from 1968. Many had been present when it was buried on July 4, 1969. Throughout 2018, the Time Capsule Committee collected items from the community to place in the new time capsule. We hope you can join us for a brief ceremony when we place it in the ground next to the 100 year time capsule from 1968. Everyone present will receive a small item to commemorate the occasion. Cookies, cupcakes and lemonade will be served. We will meet on the library lawn rain or shine.
