First Baptist Church in Lower Gilmanton sets goal in March fundraising challenge

Feb 26, 2021

GILMANTON — A donor has offered to match dollar for dollar any donation that comes in from now to the end of March up to \$3,000. If the community can raise \$3,000 along with their match, the First Baptist Church in Lower Gilmanton will reach their capital campaign goal of \$100,000 before restoration begins this spring.

Donations are tax deductible, and should be mailed to Gilmanton Historical Society, P.O. Box 236, Gilmanton, NH 03237, with the notation "First Baptist Church." Gifts will be noted for posterity. The Gilmanton Historical Society, a 501(c)3 non-profit organization, is acting as sponsor and supports the restoration of the building, and has also donated to the cause.

Nominations Open March 2nd
