

Harold V. Jordan, Sr.  
Artist and Resident

In 1981 Harold Jordan, artist and resident of Gilmanton Iron Works, sketched the names of all Townspeople to form the branches and trunk of the Town Tree, and the names of the original proprietors of the Town to form the shrubbery. Mr. Jordan donated his sketch to the Gilmanton Historical Society. Copies may be obtained from the Historical Society. The sketch was also on the cover of the 1981 Town Report.
