

provement.

All people who are interested in Gilmanton and its old land marks will be pleased to know that the old Pound which for years has been in a dilapidated condition is shortly to be restored to its former glory. Citizens generously for the purpose and soon and summer friends are subscribing it will be a pride to the town, beside the new state road and under the electric lights furnished by the district commissioners.

Mr. Harold Spriner is in town for a few days.
