Isaac Smith your Pastor speak to the congreg-  
-ational inhabitants of the Town of Gilman town  
greeting Well Beloved friends whereas you have  
given me a Legal & formal call to settle with  
you in the work of the Gospel Ministry this you  
may receive as my Answer relative thereto Hav-  
-ing been often looking to the blessed god who  
giveth liberally and upbraideth not for wisdom  
to direct me in so great & important an affair  
in that way which should be most for his glory  
having taken the best human advice my  
circumstance would admit of & Moreover hav-  
-ing taken into the most serious & deliberate  
consideration the several steps of Divine  
providence relating to me since my first coming  
into these parts untill now my providential call  
into this Town your attention & attachment to my  
preaching your earnest unanimous desire for  
my first and second return & further trial Upon  
trial your general agreement with me in the  
great principles of gospel doctrine & Discipline  
so far as I could learn your remarkable unanimity  
in the call itself considering your former very  
divided broken state - your pressing need of a  
Gospel minister - the fatal consequence

24 your not having one your apparent disposition  
to support the gospel Ministry - the extensive door  
open for doing good not only in this, but in the  
neighbouring destitute infant Settlements & New-  
town through this Wilderness - my strong inclination  
to settle where I can be the most useful to my fellow  
creatures Most instrumental in destroying the  
kingdom of the Devil & edifying the kingdom of  
our Lord & Saviour Jesus Christ, I say, having carried  
this greatest concerns to the great God for light to  
show me what I ought to do and he having cast  
so much light before me in the above mentioned  
steps of his providence I am induced to think it is  
my duty to accept and do therefore accept of your  
call to settle with you in the work of the gospel  
Ministry which I hope should I be set apart to  
it I shall be enabled by the grace of God, by  
the strength of Christ to perform with fidelity to  
my great Master, with the approbation of my  
own conscience & with faithfulness to your precious  
and immortal souls whatever be the consequence.  
and as I have a bodily part & may have connection  
which will stand in need of the food that perisheth  
I expect you will fulfil your promises of a tempo-  
-ral support for the labourer is worthy of his hire  
as saith our divine saviour and therefore may justly  
expect it and furthermore as you have made no  
provision for my support in case of bodily sickness  
and infirmity (disabling me from carrying on the  
work of the ministry) to which I am as much capa-  
-ed

25 ed as other men & in which I shall need a support as  
much as in a time of health I shall therefore expect  
if I settle, that you will make some provision for  
such a time of sickness & inability for carrying on  
the work either by continuing the full salary if  
needed or such a part of it as shall be judged a  
competent support by disinterested persons; to conclu-  
de should this very near & most weighty Relation  
of Minister & people take place between us, it is my  
earnest desire & Most hearty prayer to god that  
we may be enabled by his blessing & grace Resisting  
justly & faithfully to perform the Mutual  
Duties incumbent upon us in that Relation as  
well as in all other, live together in love and  
friendship severally avoid all those things which  
may give just occasion of offense or have a tendency  
to interrupt the harmony strive together to promote  
each others greatest good in every view be crowned  
with success in our endeavours, glorify god in all  
while here & after we have done with all earthly  
connection & bid a dieu to this Dying world, be  
Received into the embraces of our god, to dwell to-  
gether forever in the full possession & enjoyment  
of eternal life through Jesus Christ our Lord  
to whom be glory forever Amen this 12<sup>th</sup> day  
of Nov. 1774
